Experience

2023 - 2024
Noorderpoort ICT
Groningen

Internship
Before starting school, I did an internship at Noorderpoort ICT for about a month to be sure about which area of software development I wanted to focus on. There, I gained experience and insights in places like cybersecurity and networking. I have also done deepdives with school and 435 projects.

2022-2023
Albert Heijn Veendam

Shelf Stacker
Before the summer vacation, I worked at Albert Heijn for a while as a shelf stacker. Afterwards, I quit the job because I had saved enough money.

2021 - 2022
Aslan Gaming
Groningen

Repairer
When I first came to the Netherlands, I started working at Aslan Gaming as a repair technician and cleaner. Aslan Gaming is a PlayStation store where I repaired and cleaned broken consoles. After a while, I had to quit the job because my school started.

Education

2024 - 2025
Noorderpoort ICT

ICT OPLEIDING MBO 4
After moving to the Netherlands, I started studying software development at Noorderpoort ICT. I am currently in my second year, and my goal is to graduate from the school.

2019-2021
Prof Dr. Orhan Oguz
Anadolu Lisesi

Anatolian High School
I studied for 2 years at Orhan Oguz Anatolian High School, and later, because I moved to the Netherlands, I had to leave the school despite my high grades after taking the printouts of my transcripts.

About me

Hello! I'm Ismet, a student at Noorderpoort. I have worked at different workplaces. I'm an ambitious and disciplined worker, and I'm also good at teamwork and communication. My hobbies include football, combat sports, basketball, listening to music, and gaming. My mother tongue is Turkish, but I also speak Dutch and English well.
